FINANCIAL SUPPORT FOR PRESENTATION IN INTERNATIONAL MEETINGS

**Objective**
- Increase the visibility and outreach of INAF on the international scene through the presentation of oral or written communications by our graduate students and postdoctoral fellows.

**Eligibility conditions**
- The candidate must be supervised by an INAF member and present an oral or written communication as the first author.
- The subject of the presentation must be included in the INAF scientific program themes.
- The INAF and FRQNT visibility in the abstract and presentation material must meet all of the following requirements.

**Mandatory visibility in abstract**
- The student’s affiliation or address must clearly state « Institut sur la nutrition et les aliments fonctionnels » or «Institute of Nutrition and Functional Foods». This affiliation must be stated for all co-authors member of INAF.

**Mandatory visibility in presentation material**
- Oral communication: the title slide must include the INAF logo. The acknowledgment slide must include the FRQNT name (Fond de recherche du Québec – Nature et technologies) or logo.
- Poster communication: the INAF logo must be clearly visible at the top of the poster. The FRQNT contribution must be underlined by a mention in the acknowledgment section.

**Submitting applications**
- **Applications must be submitted at least 1 month prior to the congress.**
- The application form and the estimated budget must be completed and signed by the student and his/her supervisor.
- The application must include a copy of the event’s preliminary program and a copy of the presentation abstract as submitted to the conference.
- Financial assistance will be paid out of travel expenses upon delivery of the final presentation and official conference program, demonstrating that the visibility granted to INAF and the FRQNT is in compliance with all the requirements described above.

**Deadline for applications**
The student must obtain the application form and the official INAF and the FRQNT logos from Raymonde Gagnon (Raymonde.Gagnon@fsaa.ulaval.ca) and submit his/her application to her at least one month before the meeting.

**Nature of financial support**
- INAF will reimburse a portion of the costs incurred by graduate students and postdoctoral fellows who present at an international meeting, up to $ 500.
- Support can be granted once to a Master’s degree student, twice to a Ph.D. candidate, and once to a postdoctoral trainee.
- Limit of one travel grant per twelve-month period.
